

EXECUTIVE BOARD MEMBERS MEETING  
February 5, 2007

Those in attendance were Todd Meier-President, Barry Tegg-Tournament Director, Denise Renner-Treasurer, Don Weigman-Equipment Director, George Miller-Vice President, Joel Kaden-Advisor to the Board, and Maryjean Downie-Secretary.

Equipment/uniforms: We will need new catchers equipment for this season. Don is looking into the cost of new equipment for the 10U and 12U teams. The girls will be sized for their jerseys at tryouts and they will be able to order shorts, extra socks, and visors also. We will supply each girl with a jersey and 1 pair of socks as per policy.

Fields and Umpires committee: The committee will be made up of Barry Tegg and Maryjean Downie. We will contact Laura Mittelbrun to see if she would help.

Tryouts: George and Don will set up the gyms for tryouts. Only the coaches for the age group trying out, evaluators and anyone helping directly with the tryout will be allowed in the gym. The registration table will be set up outside the gym doors.

Fund Raising: We need approximately \$10,000 more for batting cages at Otter Lake fields. Fundraisers this season will be the Silver Plate Dinner, Twins Tickets, and the candy bar sale.

Respectfully,  
Maryjean Downie  
Secretary
