

WBAFSA BOARD MEETING
AUGUST 15,2007

The meeting was called to order at 8:08pm. Those present were Todd Meier, Denise Renner, Maryjean Downie, Gary Moos, and Don Weigman.

President Report: We will be hosting the fall state tournament on September 22nd and 23rd. It will be a 12U tournament and at least one of the 12u teams will be there. There will be a \$50 gate fee paid to us. We will open the concession stand and serve hamburgers and brats. Also hot chocolate and coffee. Todd will contact Barry to set up committee. An email should go out for volunteers.

Candy bar sales brought in approximately \$3000. We will also be doing another silver plate dinner.

We will be looking into possibly changing the uniforms for next season.

We will be expanding the back section of the inside of the shed. This will enable us to have all the equipment in one area.

Batting cages: we need an estimate on the electrical work. The cement work will cost approximately \$9500 and the fencing \$11500. August 30th is the Township meeting when we will propose building the batting cages then after a final ok at a September township meeting we should be able to start work on the cages. No netting will be put up this year.

Gary Moos spoke to the board about his 16U club team and possibly working with the Association. We will address this at a later meeting.

Meeting adjourned at 9:15pm

Respectfully,
Maryjean Downie
WBAFSA Secretary
